

Sustainability

Sustainability

Value Retail’s mission is to create flagship retail destinations that deliver positive impact socially, economically and environmentally, integrating a culture of environmental sustainability, and promoting diversity and positive community influence.

Sustainability of the Villages is currently measured by GRESB and BREEAM.

Our Approach To New Developments

Value Retail strives to develop sustainable projects that contribute to local communities while having a minimal impact on the environment. Our sustainability strategy for new developments includes the following approach:

Site Selection
& Transportation

Green Building
Certification

Low Carbon &
Climate Adaptation

Sustainable
Procurement

Building
Safety &
Health

Ecology
Assessment &
Biodiversity

Resource
Conservation

We aim to ensure the expansion of our Villages and new developments support our mission through stakeholder engagement, commitment to developing low-carbon, resilient assets, and continued focus on the health and well-being of occupants and guests.

New Development Project

可持续发展

唯泰集团致力于建造具有社会、经济和环境积极影响的旗舰购物旅游目的地，融合可持续发展文化，带给社区多样、积极的影响。

目前，购物村的可持续发展状况依据 GRESB 和 BREEAM 体系予以科学严谨的评价。

我们对新开发项目的态度

唯泰集团致力于开发可持续发展项目，在为当地社区做出贡献的同时，将对环境的影响降至最低。

我们针对新开发项目的可持续战略包括以下内容：

选址和交通

绿色建筑评价

低碳及应对
气候变化

可持续采购

建筑安全与健康

生态评估与
生物多样性

减少资源消耗

我们通过利益相关者沟通确保购物村扩建与新项目符合可持续使命，致力于开发低碳、韧性资产，并持续关注使用者的健康与福祉。
